PROFESSIONAL SUMMARY

B.B.A. Finance graduate and full-stack developer building practical software for trading and business workflows.

EXPERIENCE

Independent Day Trader & Full Stack Developer — Self-Employed, Atlanta, GA | Feb 2023 – Present

- Maintain structured trade logs and weekly performance reviews to improve edge and risk control.
- Built Python/Streamlit tools for position sizing, trade-log exports, and lightweight dashboards.
- Delivered automation scripts and ad-hoc reporting for peers and small businesses.

Jr. Account Manager — ABC Consultants Group, Atlanta, GA | May 2022 – Feb 2023

- Managed client communication, project documentation, and status reporting for timely delivery.
- Maintained Salesforce/internal trackers for account health and cross-functional next actions.

Marketing Intern — Mixdiety, Atlanta, GA | Jun 2021 – Feb 2022

- Researched trends and customer behavior; supported social/email outreach and performance reporting.

Server — Benihana, Atlanta, GA | Jun 2020 – Jun 2021

- Delivered high-volume customer service and coordinated front-of-house and kitchen operations.

Server — Intermezzo Cafe, Atlanta, GA | Jan 2019 – Jun 2020

- Provided front-of-house service and supported upselling and daily-specials initiatives.

EDUCATION

Georgia State University — B.B.A., Finance | 2020 – 2025

North Springs Charter School — High School Diploma (GPA: 3.7) | 2017 – 2019
